

Urmet Domus the UK's fastest growing supplier of audio and video door entry systems is expanding its operation.

We are currently recruiting for the following positions in 2007 that will be based from new office's situated on the new Skyline120 Business Park in Great Notley

Telesales Position

We are looking for a well-organised, self-motivated, enthusiastic person with good communication skills who will form an essential part of our internal sales team. The position requires a high level of customer interaction and the candidate will be targeted to generate both new business and business from our existing database. A well-developed telephone manner and a proven successful track record in telesales with good commercial awareness are required.

Estimator

We are looking for a well-organised, self-motivated, enthusiastic person with good communication skills who will form an essential part of our internal sales team. The position requires a high level of customer interaction and the candidate will be targeted to prepare quotations and system design for access control applications. A well-developed telephone manner and good commercial awareness are required.

Technical Support

The position involves providing technical support to installers, sales staff and customers in general. The successful candidate must have excellent communication skills, be PC literate, ideally with some CAD experience, and must hold a recognised electronics qualification. Technical support experience would be an advantage, although full product training will be given.

Regional Business Manager – Southern Region

We are looking for an experienced well-organised, self-motivated, enthusiastic person to join our successful sales team. The candidate will be targeted to generate both new business and business from our existing database. A proven successful sales track record from within the security industry is required.

All the above positions offer excellent opportunities for future advancement within an award winning company.

Please apply in writing enclosing full CV with daytime telephone contact number. For more details on any of the above positions please contact us on the number below.
